Mixed media collage. These “kids” are stickers • The wallpaper was “rubber stamped” over a watercolor background • Die-cut flowers hold up the curtains • Get creative with pencils, markers & crayons!

Combine images from different sources! Stack layers of paper into a collage • Put yourself, family & friends into the scene • Include characters cut from magazines • Copy images from the internet • Use dollhouse wallpaper as a backdrop

“Customizing these way-cool dollhouses will keep young architects & interior designers very busy!” — Caroline Howard, *Working Mother* magazine

Dear Friends,

ArtHouse makes learning fun! Interpreting your lessons through their own artwork, ArtHouse empowers kids to create exciting play environments from familiar materials and techniques.

As ArtHouse continues to win awards and endorsements, we're delighted so many customers have contacted us with their own testimonials. ArtHouse proves itself in classrooms and homes with actual kids.

*Warm Regards,
Curtis Jacobson
proprietor / inventor*
